

Profile

Born into a merchant shop family, I got used to being discipline in the lifestyle and hard work since childhood. Therefore, I have got a mental and physical strong. I once took a part-time announcer, surveyor, event creator and journalist to help my parents. I used to created the contents everyday. So, I was educated to have a strong analytical and research for the new things.

As a managing editor and co-founder, I have been leading the team in Zetizen Jawa Pos and AnakGundar.Com. In several times, i give education to high school students in some schools in Jakarta. So, i can collaborate and brainstorm with many people whose had the different character.
