

HELLO, I'M ADHI!

My name is Adhi Duta Baskara. I am currently a last-year student of ITS Naval Architecture, currently active as a santri of Ma'had Ukhuwah Islamiyah. Though through the past seven semesters, I have been active in many organizations and events such as Team Barunastra ITS and BEM FTK-ITS as the "The Design Sensei", I am currently focused towards finishing my study in this eighth semester. I see myself as a hard working, trustworthy, professional person that always adapt to my surroundings. I always strive for the best and thirst for new knowledge.
