## ABOUT ME

I'm a 22 years old, i graduated from Atma Jaya university faculty of law with GPA score 3.45/4.00.

Beside, i also studied art especially japanese illustration art (2D ART), because i have a hobby of drawing since childhood, it also helps me to improve my creativity, following the competition since middle school, high school & college. Win the 3rd & 4th championships in high school. I also follow another competition for the hanzel product mascot & coloring test for asistant webtoon comic in 2017. I was studied to make japanese comic in Sora Manga School

I'm active in social media, such as Facebook, Instagram, Twitter Devianart, Pixiv & etc. I love working with people's & like learning a new things.
