

# Hello,

My name is Amri, 22 years old UX designer and a freelance web designer based in Bali. Previously working in PT Badr Interactive as a UI Designer for 1 year, and UX Supervisor a year another. I also do some research about

📄 S1 Computer Science, Universitas Indonesia

🏢 PT Badr Interactive (previous)

🏆 INAICTA 2013 Special Mention: SME Category as a UX Designer for OJEX app

♥ Interaction design, design thinking, usability testing, user research.

⚡ Adobe Photoshop, Adobe Illustrator, HTML, CSS, JavaScript,

as an

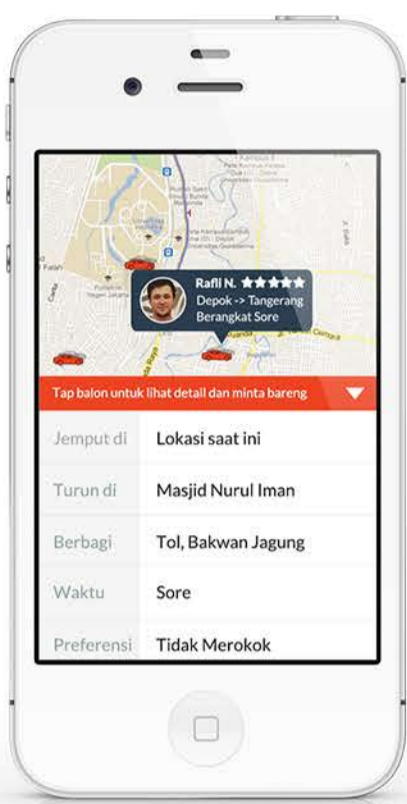

## UI Designer

Some of app that I fully designed by myself.
