About Me

For me learn about design get never be enough. Interested in the world of design starting at junior high school, I have never stopped looking for design knowledge until now.

“Keep trying to improvise because the world of creative industries must demand change every time”

Education

2003 - 2009 SDN Larangan 09	2009 - 2012 SMPN 219	2012 - 2015 SMK Media Informatika Majoring in Multimedia	2015 - CURRENT Universitas Budi Luhur Majoring in Visual Communication Design
---	---------------------------------------	--	---

Experience

Feb - Apr 2014 PT. Warna Warni Advertising Internship program, I learn about how to make manipulation for billboard and rebranding.	Aug - Oct 2018 Social Corner Food and Convenience Internship program, Working in the promotional design section. To more specifically, my job is food designer
