INTEREST

PROFILE

Hi, i am Kelvin, and i am 19 years old. i am the first child from a small family, i am the oldest of the four siblings. Since High School i learned to lead my self so that all the needs i need to try i get with my own business so i can be an example to my siblings. i became independent because of the inability finance of the family and the parents did not want to support me, so i had to try to get a better life.
