

ABOUT HIM

He has experienced working on some casual games like Trials of Olympus project as a **character design artist**. He's also experienced in many **TCG Illustrations** like Gloom of Killforth, Shadow Haze, and Transformer TCG from Hasbro and Volta Creation. Not only in Game art, He's also involved in an animation project "Petualangan Garuda Cilik" of Infinite Studio as character design artist, **2d environment artist**, and **matte painter artist**. He loves to learn new things for his new skill set. He's a team player yet also an individual player too and capable of working under pressure and deliver the work based on set schedule!
