

CURRICULUM VITAE

Hello,
I'm a Student of Visual Communication Design in Indraprasta PGRI University Jakarta (UNINDRA) 7th Semester. I'm 26 years old love everything that has to do with music , graphic design and illustration. I have an obsession with details in work and always open to explore new things. I also can work well with other and have good communication skill. So, why don't we work together? Go futher down to see why I'm the man you need to hire.
