About

Hi I'm Bangga

I have Been Started Working as Graphic Designer 5 Years, Expertly at UI/UX, Illustration and Logo I'm Employ at my self and still find our project. I have been doing UI, illustration and Logo Project and I loved everything about artwork and colors. I am an enthusiastic, responsible, good listener, and trustworthy who can work alone or as part of a team. I am keen to obtain new skills and training, and i have a flexible approach to all work situations, and find it easy to adapt. I am able to Work under pressure to tight deadlines and ensure to work is produced and now I'm still find more experience and skill at Indonesian Institute of The Art Yogyakarta, INA
