Hello!

my name is

Atik Liana Saputri

About :

I am based on Jakarta, Indonesia. And I am still a student at Interstudi School of Design (STDI)/ Majoring in Visual Communication Design. class of 2015.

I have a passion in arts and designs. I liked to illustrate people and i have my own unique style. My kind of style is more like half manga and american style in one. But it's manga more as you can see.

I like reading comic books and listening to music. I also like to watch animation movies depends on the studio where it's from. Like Walt Disney, Ghibli, Makoto Shinkai, Chizu Studio etc.

Cold Night (추운밤)

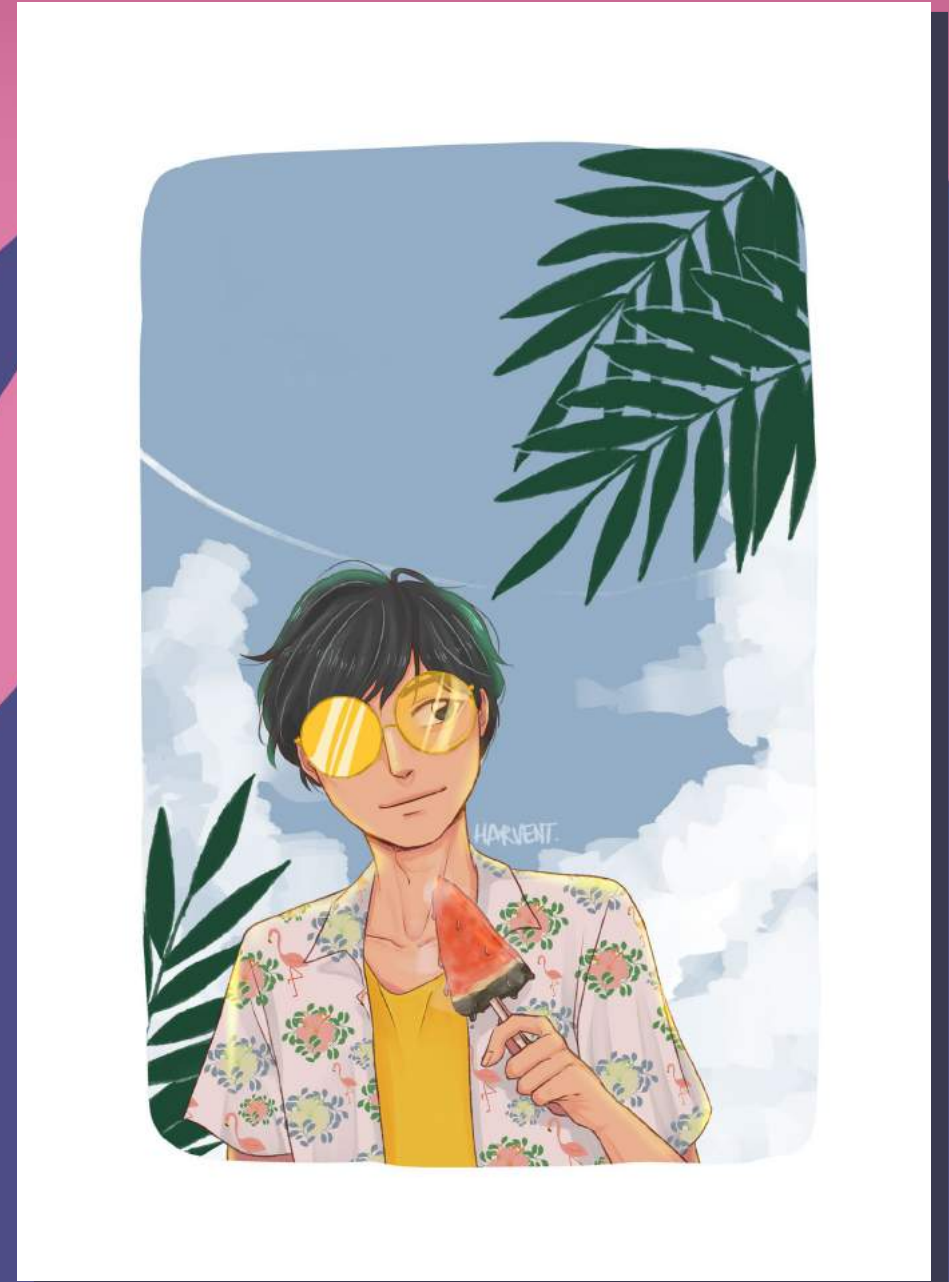

It's about a boy standing under a starry sky on a cold night, sighing as his breath turns into a fog. With the typography comes out from the foggy breath.
