# BALE Health Centre

**WE CAN HELP YOU FEEL BETTER WITH PROMPT TREATMENT BY :**

1. Hydrating you with IV therapy
2. Getting your energy levels back up with intravenous B vitamins
3. Giving you intravenous anti-nausea, anti-cramping and stomach protector medicine
4. Administering anti-diarrhea and anti-cramping medicine

After your initial treatment our doctor will also prescribe a course of oral medications to ensure symptoms do not persist.

Our service is delivered by nationally licensed Indonesian doctors.

This treatment is claimable on travel insurance, and we will provide you with a comprehensive medical report to submit to your insurance company.
