# Muhammad Irsyad Mubarok

 14 June 1997

 Pondok Aren South Tangerang

## Curriculum Vitae

Hi there, my name is Irsyad, i'm 22 years old, a fresh graduated visual communication design student from Universitas Sebelas Maret. I'm very passionate with graphic design, illustration, and animation. I'm a hard worker, easy going human being and an aesthetic lover. I always enjoy every designing process i've gone through like brainstorming, sketching, etc. because i always feel i learn something new in the process.

I looking forward to work at your company and i'd love to work especially on graphic designing !

## 07

## Motion Graphic

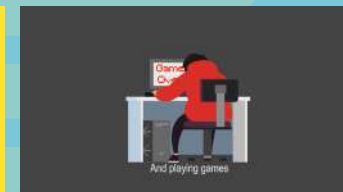

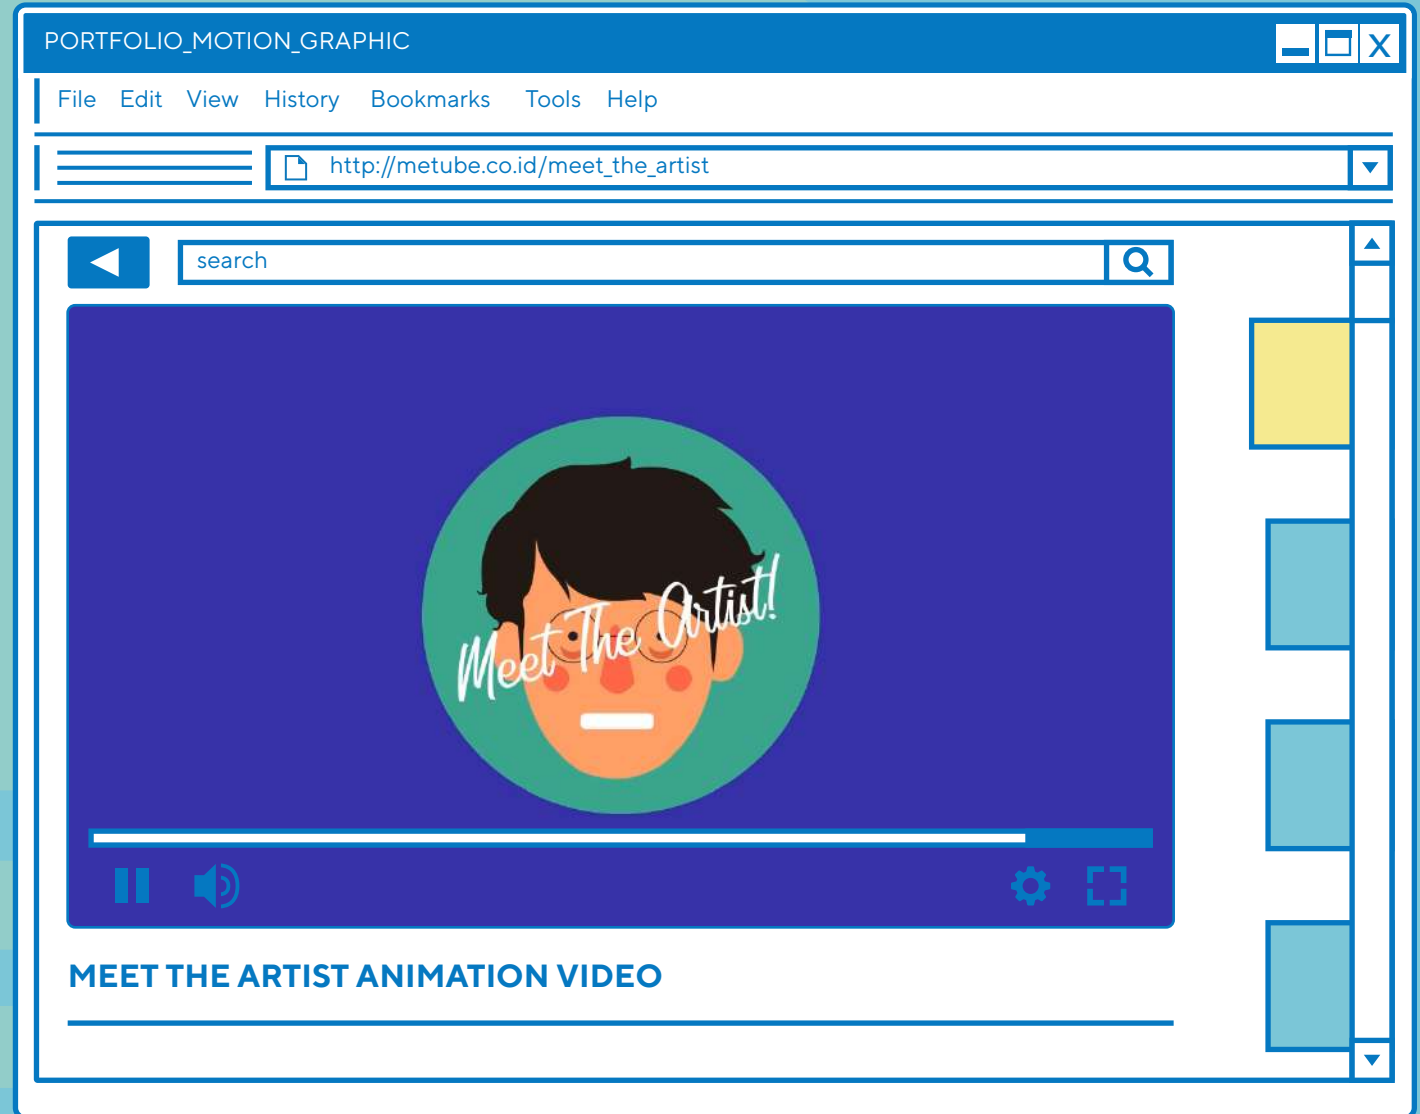

It's Meet The Artist animation video. It was supposed to be a final project for animation class to make an self introduction animation video, and meet the artis is quite a trend back then, so why not? I decide to join the bandwagon.

I using after effect with DuLK plug-in to animate the character.

## Illustration Book

Selamat Makan! is a final project to getting my bachelor degree. The book is about how important it is to eat healthy food, having a healthy diet, and answering the common misunderstood about what exactly a healthy food are.

Packed with colorful illustrations, this book targeting young adults in their 20's as the main target audience. This book also comes with easy recipes, so the audience could also start making their own healthy food.
