ABOUT ME

Hello!! my name is Rokhim. I am a visual communication design student in 2015 and graduated from Universitas Internasional Semen Indonesia(UISI), Gresik and got my Bachelor's degree in 2019.

I really like graphic design and anything about visual aesthetics, and I really like it if I can apply it to a job.

I am very enthusiastic about graphic design, branding, packaging, typography and illustrations and all about web and UI design, I can adapt to the team and be able to work well under pressure.
