illustration about "Perbedaan Suku"

Cici segera pergi ke tempat resoran itu memajang kelinci hidup. Ada beberapa anak kelinci di dalam kandang. Warnanya beraneka ragam, putih bersih, abu-abu, putih abu-abu, cokelat.

"Ih, lucunya!" seru Cici dengan mata berbinar. Ia bergegas menghampiri Tante Silvi.

"Tante, aku boleh pelihara kelinci, ya. Satu saja Tante...," pinta Cici dengan wajah memelas.

"Kamu yakin bisa merawatnya?" tanya Tante.

"Bisa, Tante. Tadi aku sudah tanya-tanya si Bapak yang memelihara kelinci di belakang," jawab Cici yakin.

"Tapi, kamu harus rajin merawatnya, ya," kata Tante Silvi meluluskan permintaan Cici.

82

Maka, siang itu Cici berhasil membawa seekor kelinci ke rumah. Ia memberinya nama Puti karena warnanya yang putih bersih.

Cici membiarkan si Puti bermain dengan bebas di kebun belakang rumah Om Bram yang luas. Si Puti tampak senang berlari ke sana kemari.

"Jangan lupa beri makan ya, Ci," Om Bram mengingatkan.

"Siap, Om!" jawab Cici. Ia langsung mengambil seikat kangkung yang sudah dibeli Tante Silvi. Diulurkannya kangkung itu ke mulut si Puti. Puti melahap kangkung itu dengan rakus.
