

Hello, I'm Brian,

I am a graphic design graduate from BINUS International University with a total cumulative GPA of 3.45. I am based in Jakarta, Indonesia and was born in the year 14 February 1998 and I am fluent with Bahasa Indonesia and English.

To demonstrate my vivid and intimate personality, I would say I'm an avid life learner, life enthusiast, and minimalist. As a designer, I am creative, always eager to learn new things, hardworker, detailed, and is always eager to be challenged.
