

MARIA Josephine

I'm 25 years old. I'm a layout and graphic designer based in Surabaya. I love adventures and travelling, making experiences and being constantly inspired by new things and people, routine and monotony definitely kills me.

Resume

SKILLS & EXPERTIZE

I'm a fast learning and very adaptive in working teams or as individuals. I'm used to work under pressure since in college, since becoming an editor of a magazine that is always hunted for print deadlines. Furthermore, I like managing my priorities in everyday life so that everything works perfectly.
