Universitas Indonesia

SEP 2014-JUL 2018

Architecture Graduate
Universitas Indonesia

JUL 2012-JUL 2014

High School Diploma
SMAN 99 Jakarta Timur

design is a lot of possible story in between, the process from before to after.

like a directors of a movie, i can show and direct you to see in many points of view not only to tell a story, but also to give a life on it.

I love to spilled my minds out within the words as journal (about architecture, fiction, and slice of life) and convert it into spatial or vice versa.

WORK EXPERIENCE

AUG 2019-PRESENT
