ABOUT ME

I am Najat. A girl who love art. I read my non-fiction book when I am bored and love to learning business through podcast or youtube. I am a learner who want to build a private business. Very excited with healthy lifestyle and always want to know about how to save our environment. My friends say that I am a creative girl, loyal, hardworking, friendly and helpful.

WORK EXPERIENCES

2019: LPS Supercamp (Quarantine Crew)

A full-time crew for SBMPTN camp in Dave Apartment for 40 days. Generally, we served the students such as their food, teachers and their schedules. We also prepare the place for them to study (cleaning, rearrange tables and chairs). I also processed the value data of the students as requested by Mr Siswadi.

2018: Youth Research Camp (Tutor)

It was my first full-time job. Accompanying 10 high school girls and boys in full time in Dieng. I was their secondary teacher, their sister, their guide. I ensured that they did all the activities and finished the tasks. Answering all of their questions and comforting them when something bad happened .

2017: Parttime (Tutor 6 grade student for math, science) Tutoring

I taught a science lesson for an elementary student. I became his friend while learning, shared some questions and also helped for his tasks.

Banner design project for Seminar at FTUI

It was an international seminar held by Chemical Engineering UI. I made the main and standing banner for the seminar.

JOB/SOFTSKILLS TRAINING EXPERIENCES

- 2020: Softskills Training at FTUI by Mr. Iwan Winanda
Softskills online Training 'Personal Value' by Bryan Gunawan (Skillacademy)

ORGANIZATIONAL/VOLUNTEERING EXPERIENCES

2017: FUSI Mengajar (Tutor)

Teaching Al Quran to the children and daily prayer. Making creative learning materials.

2016-2017: Secretary at ECORP FTUI

Bertugas menjaga internal organisasi, bertugas dalam urusan administrasi surat-menyurat, dan pendataan fasilitas koperasi.

2015: Head of Decor at UI GTK XII

Membuat konsep desain dan eksekusi dekorasi venue mulai dari panggung, photobooth, dan layout penonton.
