ESQUE beauty products allow women to let their inner beauty out. Marula oil is similar to the oils your own body creates. It is harvested in South Africa from the nut inside the marula fruit. Marula oil plays nicely with your skin, healing and hydrating it without clogging or irritating it.

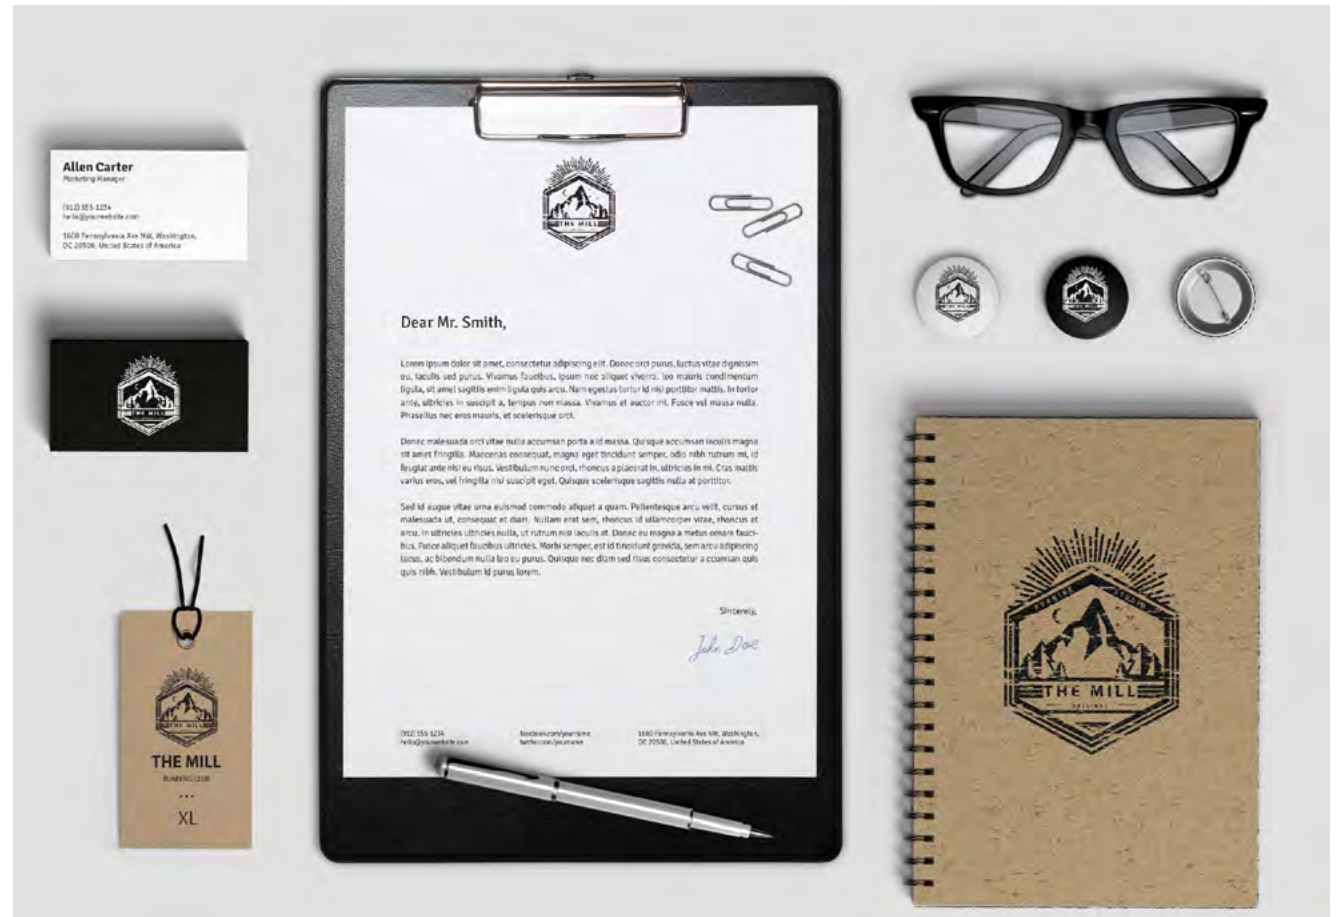

**The Mill - Running Studio OR**  
 Running Club (whatever looks best).  
 You can write "Original" too, as it is  
 the first of its kind in Canada.

The Mill is a luxury, indoor (on  
 \$13,000 treadmills) outdoor group  
 fitness running studio. Think spin  
 class (music, lights, intervals, inclines)  
 but just a bit more sophisticated and  
 hardcore.

My target market is higher-income  
 professionals in their mid 20s to early  
 40s. Funky, fresh, clean and modern  
 scene in a hipster throwback sort of  
 way.
