Jalan Toyota 3 Nomor 138B RT.001/08
Cilincing, Jakarta Utara 14130

An undergraduate architecture student at ITS, Surabaya. Always been interest about art and design since early, then majoring architecture at university taught me many aspects especially about design, creative & critical thinking, and problem solving in-depth. With all knowledge i have learned, i would pursue my career that required creativity, resourcefulness and visual beauty.
