

NUR ARFIYANSYAH

WORK EXPERIENCE

I still study and i don't have much work experience, just some visualization project on video rendering by what i get from my some client

i had internship for two about two month at Renmeraki Architect and i've learn a lot about how to rendering visualization, concepting, and team work.

And i also had internship for two about two month at Umae Architect in Bali, and during my internship i got some experience such as concepting, marketing, and project managing.

Hi ! My name is Nur Arfiyansyah, just call me Aan.i was born in Bengkulu, Indonesia and now based in Malang. I'm doing my study here as an Architecture student in UIN Maliki Malang, My work obviously focus on designing, concepting, and i interest to visualizing, cinematography and travelling.
