Profile

I am a Visual Communication Design graduate focusing in **Multimedia-Animation**. I am proficient in making **works around digital art**, such as background art, charcater illustration, storyboard and flat design. I also have other capabilities in video editing, writing and english. During my college years, I have entrusted to lead a Muslim Students Organization focusing in creative preaching and community in my faculty, take part in art exhibition committee of my faculty and do internship in companies as a digital artist.
