Hi !

I'm called Della and I'm an illustrator.
I was graduate from Maranatha University.

I love to make art popping out from my
imagination, create what inside my heart to
reach out every soul through colors.
Yes, my specialize is in digital coloring and I love
every pixel of my works.

Someone said once you know me, you will see
"me" in my art.

Best Regards,

Dellamanda Claresta
