EDUCATION

Bachelor of Computer Science

Universitas Amikom Purwokerto
2012 - 2017

SMK Wiworotomo Purwokerto
2009 - 2012

EXPERTISE

- Autodesk 3ds Max
- Blender
- Substance 3D painter
- Hard Surface Modeling

EXPERIENCE

2022 - Present **3D Modeler**

Segaris Media Teknologi

create, analyze 2D drawings or photos create 3D models with workflows with multiple teams.

- Understand aircraft and engine components
- Creating workflows and being the team head of the 3d model division

2018-2021 **Freelance 3D Artist**

3 years

reate, analyze 2D drawings or photos create 3D models with workflows with multiple teams. by reading documents based on detailed model parts of each aircraft

- Making helicopter, aircraft and engine components
- AS332 Super Puma and Engine GE T700 For 10 mounts
- F-16 for 8 mounts
- CASA 212 for 8 mounts
- C130 Hercules for 6 mounts
- Grob G120TP and Engine for 6 mounts
- Engine PT6T Bell 412 for 4 mounts
- Garret Engine TPE331 for 4 mounts
