## Lorem Ipsum is simply

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Ipsum is not simply random text. It has roots in a piece of making it over 2000 years old. Richard McClintock, a Latin ge in Virginia, looked up one of the more obscure Latin sum passage, and going through the cites of the word in indoubtable source. Lorem Ipsum comes from sections lonorum et Malorum" (The Extremes of Good and Evil) by a treatise on the theory of ethics, very popular during the ipsum, "Lorem ipsum dolor sit amet," comes from a line in

m used since the 1500s. It is reproduced below for those 3.33 from "de Finibus Bonorum et Malorum" by Cicero are al form, accompanied by English versions from the 1914
